the marine trades industry in
New York State

2007 Advocacy Day

The Empire State Marine Trades Association (ESMTA) invites you to become a 2007 Advocacy Day sponsor. Show your support for the Association and marine trades industry through sponsorship!

Why Sponsor?

Sponsorship provides you exposure to over 400 marine trades businesses in the State, and demonstrates your support for the recreational boating industry.

Your contribution helps fund the Association's **2007 Advocacy Day**. The event includes a legislative briefing for members and legislative meetings with key lawmakers and agency staff. The event provides marine trades representatives a tremendous opportunity to share with State lawmakers the issues and concerns facing the industry. This event has grown tremendously over the last few years, becoming a critical component in the Association's legislative strategy.
